Ram Cam - View Nevada's State Animal

Get your fix of wildlife from wherever you are with Boulder City's newest toy... a **Ram Cam**, a video livestream of Hemenway Park. You never know when the bighorn sheep will come down from the mountain throughout the day at this popular tourist attraction within historic Boulder City.

Nevada State Parks Reservations

Nevada State Parks has welcomed a record number of visitors in the past years, so while reservations are not required to visit or stay at a Nevada State Park, it's recommended. With 28 parks to explore, visitors can go to **Reserve Nevada** for these types of reservations: campsites, cabins, group use areas, tours, special events, and to pay for day-use reservations at select parks or annual permits. Inventory becomes available each day for a period of 11 months in advance. **Left: Valley of Fire State Park**

This homegrown event is the perfect way to cruise through historic Boulder City on foot while doing a little shopping and noshing along the way. LAS VEGAS TERRITORY

WHAT IS LAS VEGAS TERRITORY?

Las Vegas Territory is a membership-based, non-profit organization established in 1984 by the Nevada Commission on Tourism and the support of the Las Vegas Convention and Visitors Authority (LVCVA). The purpose of the organization is to increase the number of first-time and returning visitors by creating an awareness of the outlying tourism entities, cultural activities, special events, scenic attractions, and the recreation and historical areas of Clark County, Nevada. **What's New Las Vegas Territory** is underwritten by a Travel Nevada grant. Visit [Travel Nevada](#) for more ideas and roadtrips.

WHERE IS LAS VEGAS TERRITORY?

Las Vegas Territory encompasses the southern region of the Silver State, and includes Boulder City, Downtown Las Vegas, Goodsprings, Henderson, Las Vegas, Laughlin, Jean, Mesquite, Moapa Valley, and Primm – and all of the cool places in between.

Mesquite is known for its eight championship golf courses and plenty of UTV trails. Its close proximity to southern Utah's National Parks makes it a great base camp to unpack your bags for overnight.

Moapa Valley features more than 200 mi. of recreational trails in the Logandale Trail System and is the perfect place to stay while exploring Valley of Fire and Gold Butte National Monument.

Boulder City was originally built to house workers of the nearby Boulder Dam (later renamed Hoover Dam). Small town life is well-preserved in this quaint town featuring museums, antiques and dining.

Laughlin is located along the picturesque Colorado River where guests can enjoy water attractions, hiking, labyrinths, strolling the Riverwalk, golf, gaming, amazing accommodations, dining, entertainment, and other outdoor activities.

Primm/Goodsprings/Jean are a collection of small towns close to southern Nevada's border. Originally a hot spot for mining, today they serve as a popular rest stop between Las Vegas and California.

Henderson is the second largest city in Nevada. With miles of walking and biking trails, a bird preserve, and Lake Las Vegas, the city prides itself on small town values with big city efficiencies.

Downtown Las Vegas is where the neon lights of Las Vegas got their start. In the past decade the area has undergone a renaissance with the growth of The Arts District and Fremont East areas.
